ORDER DISMISSING APPEAL

This appeal was filed on February 14, 2001, from the Decree dissolving the parties' marriage that was entered by the Tribal Court (Gros-Ventre, J.) on February 5, 2001. The record was transmitted to this court on March 19, 2001. Thereafter, while the parties and their counsel engaged in settlement discussions, this court granted two extensions of time for filing Appellant's opening brief. When nothing further was filed after the second extended deadline, this court issued an order for the Appellant to show cause in writing on or before December 14, 2001, why this appeal should not be dismissed for failure to prosecute. The court having received no response to that Show Cause Order, now, therefore,

IT IS HEREBY ORDERED that Mr. Dailey's appeal in this case is dismissed with prejudice for failure to prosecute. No costs.
