

United States Department of the Interior

OFFICE OF THE SECRETARY
Washington, D.C. 20240

APR 15 1993

Honorable Llevando Fisher
President, Northern Cheyenne
Tribal Council
P.O. Box 128
Lame Deer, Montana 59043

Dear President Fisher:

We reviewed the Interim Agreement Between the Northern Cheyenne Tribe (Tribe) and the State of Montana (State) Concerning Class III Gaming, dated September 21, 1992, and conclude that it does not violate the Indian Gaming Regulatory Act (IGRA), other Federal law or our trust responsibilities. Therefore, pursuant to my delegated authority and Section 11 of the IGRA, we approve the Compact.

We note, however, that the Tribe must come within an exception to the Professional and Amateur Sports Protection Act (PASPA), 28 U.S.C. §§ 3701-3704, to conduct sports betting under the Compact. PASPA makes it unlawful for a governmental entity, including an Indian tribe, to sponsor or operate gambling on amateur or professional sports. To be lawful, any sports gaming pursuant to Sections V(C), (D) and (J) of the Compact must come within one of the exceptions authorized by Section 3704 of PASPA.

The exception at Section 3704 (a)(2) establishes two criteria which must be met to authorize sports betting. First, the gambling must be authorized by a statute in effect on October 2, 1991. Second, the gambling must actually have been conducted sometime between September 1, 1989, and October 2, 1991. Sports betting is authorized by Montana statutes which were enacted in 1977, 1987 and 1991. Montana Code Annotated Sections 23-5-222, 23-5-502, and 23-5-802. The 1991 law authorizing sports fantasy leagues was passed by the Montana Legislature on April 26, 1991, and became effective July 1, 1991. Therefore, if games were conducted as authorized by the Montana statutes during the relevant period, we believe the Tribe may establish that it falls within the exception to the general prohibition against sports betting. We are not, however, in a position to verify the factual basis for establishing whether the Tribe comes within the exception. Therefore, we express no opinion on the matter.

RECEIVED
5-10-93
NIGL

Notwithstanding our approval of the Compact, Section 11(d)(1) of the IGRA (25 U.S.C. § 2710(d)(1)) requires that tribal gaming ordinances be approved by the Chairman of the National Indian Gaming Commission (NIGC). On July 8, 1992, the NIGC published in the FEDERAL REGISTER proposed regulations to govern approval of Class II and Class III gaming ordinances. The final regulations were published on January 22, 1993 (58 Fed. Reg. 5802), and became effective on February 22, 1993. Under the statute and regulations, even previously existing gaming ordinances must be submitted to the NIGC for approval when requested by the Chairman. The Tribe may want to contact the NIGC at (202) 632-7003 for further information to determine when and how to submit the ordinance for approval by the NIGC.

Some tribal constitutions have an independent requirement that certain types of tribal ordinances be submitted to the Secretary of the Interior for approval before being effective. Article IV, Section 1(i) of the Constitution of the Northern Cheyenne Tribe of the Northern Cheyenne Indian Reservation would appear to require the Secretary to approve the gaming ordinance. Authority to approve such ordinances on behalf of the Secretary has been delegated to the Superintendent.

We wish the Tribe and the State success in this economic venture.

Sincerely,

(SGD) STANLEY M. SPEAKS

**INTERIM AGREEMENT BETWEEN THE NORTHERN CHEYENNE TRIBE
AND THE STATE OF MONTANA CONCERNING CLASS III GAMING**

I. AUTHORITY

This Interim Agreement ("Agreement") is made by and between the Northern Cheyenne Tribe and the State of Montana, pursuant to Public Law 100-497, the Indian Gaming Regulatory Act ("IGRA"). The Tribe is authorized to enter into this Agreement by Resolution No. 177(92) enacted on July 20, 1992. The State is authorized to enter into this Agreement by section 11(d)(3)(B) of the IGRA and the provisions of the State-Tribal Cooperative Agreements Act (sections 18-11-101 to 18-11-111, MCA).

II. PURPOSE

The purpose of this Agreement is to temporarily define the respective jurisdictions of the Tribe and the State for regulation of Class III gaming as defined by the IGRA on the Northern Cheyenne Reservation, in order to deal with the following exigent circumstances. The United States Attorney for the District of Montana has determined that certain Class III gaming activity on six of Montana's Indian reservations (those without state-tribal Class III gaming compacts) is illegal under 15 U.S.C. § 1175 (hereafter referred to as the "Johnson Act"). The United States Attorney announced her determination in a June 25, 1992, press release which gave notice of possible federal criminal prosecutions.

At the time of the issuance of the press release, the Tribe and the State were engaged in active negotiations for a long-term compact under section 11(d) of the IGRA. In order to allow negotiation of a long-term compact to continue and to avoid irreparable harm resulting from the shut down of existing Class III gaming activities on the Northern Cheyenne Reservation, the parties enter into this interim agreement to allow Class III gaming on the Reservation to be conducted for one year in accordance with the terms of this Agreement.

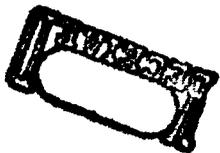

III. DEFINITIONS

A. "Gaming." The term "gaming" means those Class III gaming activities authorized under and conducted in accordance with this Agreement.

B. "Indian lands." The term "Indian lands" means any land within the Reservation now or hereafter owned in fee by, or held in trust by the United States for the benefit of, the Tribe or an Indian.

C. "Non-Indian lands." The term "non-Indian lands" means any land within the Reservation which is not Indian lands.

D. "Premises." The term "premises" means a structure or facility that is clearly defined by permanently installed walls that extend from floor to ceiling and that has a public external entrance, leading to a street or other area, which entrance is not shared

with another premises. If the premises shares a common internal wall with another premises offering gaming, the common wall must be permanently installed, opaque, and extend from floor to ceiling and may not contain an internal entrance through which public access is allowed.

E. "Regulate." The term "regulate" means the power to control through statute, ordinance, resolution, administrative rule, guideline or administrative procedure and to impose taxes, fees, assessments and penalties insofar as is consistent with the IGRA.

F. "Reservation." The term "Reservation" means the Northern Cheyenne Reservation as established by Executive Orders of November 26, 1884 and March 19, 1900.

G. "State." The term "State" means the State of Montana or any agency thereof.

H. "Tribe." The term "Tribe" means the Northern Cheyenne Tribe, any agency, organization or subdivision of that Tribe, or any corporate entity in which such Tribe is the sole owner.

IV. JURISDICTION OF THE TRIBE AND STATE

A. The Tribe shall have jurisdiction, exclusive of the State and which may be concurrent with any jurisdiction of the United States, to regulate all gaming on Indian lands and all gaming by the Tribe or Indians on non-Indian lands. The Tribe agrees to limit gaming to gaming operations wholly-owned by the Tribe, provided that the Tribe may permit existing non-Tribal, Indian-owned operations owned by Leroy Whiteman and Stacie Burns to operate but only to the extent of the nature and scope of their actual operations as of June 15, 1992.

B. Because of the Reservation's present and historical demographic and land ownership patterns and the fact that the Tribe does not allow the sale of alcoholic beverages within the Reservation, the State does not seek authority to authorize gaming operations owned by non-Indians on non-Indian lands. On the conditions set forth in this paragraph, the State shall have jurisdiction concurrent with that of the United States to prosecute non-Indians for violation of this Agreement occurring on non-Indian lands. For purposes of such prosecution, the provisions of the gambling laws of the State of Montana are incorporated by reference. If such violation occurs, the Tribe promptly shall initiate civil enforcement action, or request federal criminal enforcement action, to eliminate the violation. If the federal government defers to the State, the State may criminally prosecute the non-Indian violators provided that the State shall ask the federal government to first confer with the Tribe.

V. PERMITTED GAMING

Subject to the jurisdictional authorities and the prohibitions and limitations set forth in Article IV, the following gaming may be conducted under this Agreement:

A. Video gambling machines when conducted in compliance with the provisions of Appendix A.

- B. Simulcast racing when conducted in compliance with the provisions of Appendix B.
- C. Calcutta pools when conducted in compliance with the provisions of Appendix C.
- D. Fantasy sports leagues when conducted in compliance with the provisions of Appendix D.
- E. Fishing derbies and betting on natural occurrences when conducted in compliance with the provisions of Appendix E.
- F. Lotteries when conducted in compliance with the provisions of Appendix F.
- G. Shake-a-day and shaking for music or drinks when conducted in compliance with the provisions of Appendix G.
- H. Raffles when conducted in compliance with the provisions of Appendix H.
- I. Live keno when conducted in compliance with the provisions of Appendix I.
- J. Sports pools and sports tab games when conducted in compliance with the provisions of Appendix J.

VI. GENERAL REGULATIONS

The following regulations shall apply to all gaming activities conducted on the Reservation.

- A. Persons under 18 years of age shall not participate in any gaming activity.
- B. A person who is not physically present on the premises where the gaming activity is actually conducted may not be allowed to participate.
- C. The consideration paid for the chance to play shall be strictly cash. Every participant must present the money with which he intends to play the game at the time the game is played. No check, credit card, note, IOU, or other evidence of indebtedness shall be offered or accepted as part of the price of participation in such game or as payment of a debt incurred therein. No person or organization shall be permitted to offer credit for gaming for a fee. This restriction shall not apply to credits won by players who activate gambling machines after inserting coins or currency into the machines, and shall not restrict the right of the Tribe or any other person to offer check cashing or to install or accept bank card or credit card transactions in the same manner as would be normally permitted at any retail business.
- D. The Tribe may make available for play a maximum of one hundred (100) video gambling machines in each tribally-operated premises.

VII. BACKGROUND INVESTIGATIONS AND LICENSING OF EMPLOYEES AND MANAGER

- A. The Tribe, prior to placing a prospective employee whose responsibilities include the operation or management of gaming, shall obtain releases and then shall investigate the backgrounds of all potential employees. The Tribe shall conduct this

background check and prepare a written report regarding each applicant within 30 days of receipt of the employment application.

B. The Tribe may employ any person whose prior financial or other activities or criminal record indicates that he or she:

1. does not pose a threat to the public interest;
2. does not pose a threat to the effective regulation and control of gaming;
3. does not create a danger of illegal practices, methods, or activities in the conduct of gaming or in the carrying on of the business and financial arrangements incidental to gaming;

4. has not been convicted of a felony offense within 5 years of the date of application or is on probation or parole or under deferred prosecution for committing a felony offense; or

5. is not receiving a substantial amount of financing for the proposed operation from an unsuitable source. A lender or other source of money or credit that is found to be unacceptable based upon the provisions of 1, 2, 3 or 4 above may be considered an unsuitable source.

6. The Tribe may deny employment to a person who has falsified an application. If the falsification is determined after the person has been employed the Tribe may terminate the employment.

VIII. TRIBE MAY CONTRACT WITH STATE

The Tribe may contract with the State to certify and inspect machines by paying a fee for each machine which does not exceed the actual cost incurred by the State for such inspections. The Tribe may contract with the State to conduct background and financial examinations of persons associated with any gaming operation allowed under this Agreement. State officials acting in this capacity shall act as subcontractors of the Tribe, and shall not be deemed to be acting on the State's behalf.

IX. DEFAULT AND TERMINATION

A. Default by Tribe. In the event of substantial and continuing failure by the Tribe in the performance of its obligations under this Agreement, the State shall have the right, at its option, to terminate this Agreement, provided that the State shall have given the Tribe ninety (90) days written notice of such default and the Tribe shall have failed to cure such default within ninety (90) days after receipt of such written notice.

B. Default by State. In the event of substantial and continuing failure by the State in the performance of its obligations under this Agreement, the Tribe shall have the right, at its option, to terminate this Agreement, provided that the Tribe shall have given the State ninety (90) days written notice of such default and the State shall have failed to cure such default within ninety (90) days after receipt of such written notice.

C. Voluntary Termination. The parties may jointly terminate this Agreement by written instrument signed by both parties.

D. Continuing Duty to Bargain. Upon termination of this Agreement for default or voluntarily, the State shall negotiate in good faith with the Tribe over the terms and conditions of a subsequent agreement upon receipt of a request pursuant to Section 11(d) of the IGRA.

X. MISCELLANEOUS TERMS

A. Effective Date and Term. This Agreement shall be effective upon execution, and shall continue in effect for a period of one year unless earlier terminated in accordance with Article IX. Before expiration of this Agreement or upon its termination, the parties may agree to the renewal of the Agreement for a term agreed upon by the parties.

B. Amendments. This Agreement may be amended only with the consent of both parties and only by written instrument signed by both parties. If the IGRA or state law is amended in any way affecting the terms of this Agreement, the parties agree to negotiate in good faith to amend this Agreement so as to achieve the objectives provided for and to ensure compliance with all applicable state and federal law, and, in the case of a change in law which would prohibit gaming authorized under this Agreement, the Tribe and the State shall engage in good faith negotiations to establish a reasonable period of time during which such gaming may continue in order to enable the Tribe and its investors (if any) to receive a reasonable return on investments made under this Agreement.

C. Negative Declaration. This Agreement has been entered into to temporarily satisfy the requirements of the IGRA. It is not intended to reflect or be viewed as reflecting in any other context either party's position with respect to the jurisdictional authority of the other. Nothing in this Agreement or in any conduct undertaken pursuant thereto shall be deemed as enlarging or diminishing the jurisdictional authority of either party except to the extent necessary to implement and effectuate the Agreement's terms. Neither this Agreement nor conduct pursuant thereto shall be offered as evidence, otherwise referred to in any present or future litigation unrelated to the subject matter of the Agreement, or used to further either party's equitable or legal position in any litigation unrelated to the subject matter of the Agreement.

D. Expansion of Class III Gaming. If, after the date of this Agreement, the State authorizes pursuant to State law (a) any form of gaming classified as Class III under the IGRA in addition to those forms permitted by this Agreement ("Additional Class III Games"), or (b) wager, prize, machine or other limits or restrictions on gaming, including Additional Class III Games authorized under subsection 2 below, less restrictive than those set forth in this Agreement ("Less Restrictive Provisions"), then the following provisions shall apply:

1. The State shall promptly notify the Tribe of such Additional Class III Games or Less Restrictive Provisions.

2. This Agreement shall be deemed amended to permit Additional Class III Games provided that they are conducted in conformity with the least restrictive terms and conditions applicable to them under the State law.
3. This Agreement shall be deemed amended so as to include such Less Restrictive Provisions.
4. The Tribe may notify the State that it desires to amend this Agreement to authorize such Additional Class III Games on the Reservation on terms and conditions less restrictive than those applicable to them under the foregoing provisions. Upon such notice, the parties shall in good faith endeavor to negotiate amendments to provide for such gaming by the Tribe hereunder in conformity with the IGRA.

E. Severability. Each provision, section and subsection of this Agreement shall stand separate and independent of every other provision, section, or subsection. In the event that a court of competent jurisdiction shall find any provision, section, or subsection of this Agreement to be invalid, the remaining provisions, sections, and subsections of the Agreement shall remain in full force and effect.

F. Notices. All notices and other communications required to be given hereunder by the Tribe and the State shall be deemed to have been duly given when delivered in person or posted by United States certified mail, return receipt requested, with postage prepaid, addressed as follows:

- (1) If to the Tribe:

President
Northern Cheyenne Tribal Council
P.O. Box 128
Lame Deer MT 59043

- (2) If to the State:

Governor of the State of Montana
Capitol Station
Helena MT 59620

or to such other address or addresses as either the Tribe or the State may from time to time designate in writing.

G. Reservation of Rights. It is understood that this Agreement was entered into under the exigent circumstances described in Article II above. It is an interim measure to allow gaming on the Reservation to continue without the prospect of federal prosecution under the Johnson Act. It does not reflect the true status of the parties' positions in the long-term compact negotiations. This interim Agreement will, however, facilitate such on-going negotiations by ensuring that gaming on the Reservation is not shut down pending the outcome of the negotiations.

Neither party has waived or forfeited any of their rights, privileges, positions, or defenses with respect to the on-going negotiations on the long-term compact. The Tribe reserves its right under Section 11(d)(7) of the IGRA to bring an action in the Federal District Court against the State if the Tribe concludes that the State has not negotiated in good faith on the long-term compact. The State recognizes the Tribe's right to bring such action, and agrees that nothing in this Agreement shall be interpreted or construed as expressly or implicitly waiving the Tribe's right to bring such an action. Each party reserves all rights, arguments and defenses that are available to it under the law, and nothing in this Agreement shall be interpreted or construed as an express or implicit waiver of any such right, argument or defense. The Tribe's initiation and pursuit of such an action shall not diminish or otherwise impair its rights under this Agreement. By entering into this Agreement, the Tribe reserves its right to assert that the Act of December 17, 1991, 105 Stat. 1908, stays enforcement of the Johnson Act through December 17, 1992.

The battery must be in a state of charge during normal operation of the machine. Manufacturers incorporating either the use of E2 proms or a lithium battery for memory retention will be considered to meet this requirement; and

(xvii) play of a game shall be activated by a button or lever.

(2) If the video gambling machines are connected to a centralized monitoring system, the system must have the same security features and capabilities as required for individual machines.

(3) Any and all modifications made to an approved video gambling machine must be submitted for approval prior to installation.

(3) If merchandise is awarded as a prize, the sponsor shall retain proof of the purchase price of the merchandise for 1 year after the date of the sports event.

VI. USE OF SPORTS TABS RESTRICTED

(1) A sports tab may be used only in conducting a sports tab game as described in this Appendix. A sports tab used for any other purpose is an illegal gambling device.

VII. AUTHORIZED SPORTS POOLS

(1) Authorized sports pools described in this section are identified by a title to distinguish one pool type from another. The controlling factor as to the legality of a sports pool is not the pool's title but the method and manner in which the pool is conducted.

(2) The conduct of an authorized sports pool is subject to the provisions of this appendix.

(3) The following sports pools are authorized:

(a) a "traditional sports pool" involving a single sports event with two competitors that is conducted on a sports pool card containing a master square with 25, 50, or 100 spaces. Each space is randomly assigned a unique pair of numbers from the vertical and horizontal axis of the master square. A winner is determined by matching the numbers assigned to a space with the only or last digit of the score of each competitor in the sports event at predetermined intervals during the event or at the end of the event.

(b) a "series sports pool" conducted on a master square in conjunction with a series of sports events. The pair of numbers assigned to each space on the master square remains the same for each sports event in the series. The competitors in each sports event in the series may be individual teams or a combination of teams (e.g., a group of teams designated as home teams versus a group of teams designated as away teams). Spaces must be sold for all events in the series of sports events and may not be sold for individual events. Winners for each sports event in the series are determined:

(i) in the same manner as in a traditional sports pool; or

(ii) in the same manner as in a traditional sports pool for the first sports event in the series. For the second and subsequent events, winners are determined by combining the scores generated by each competitor in the previous events.

(c) a "multiple way sports pool" conducted on a master square with multiple sets of numbers randomly assigned to the horizontal and the vertical axes representing certain intervals of a single sports event or individual sports events in a series of events. Winners are determined in the same manner as in a traditional sports pool.

(d) a "selected point sports pool" in which the winner is the participant whose assigned competitor is the first to attain a final score that matches a predetermined number (e.g. 28, 39). If in a given week none of the competitor's score match the predetermined number, the prize is carried over to the next and subsequent weeks until a match occurs. However, the pool must be designed to ensure that a prize does not exceed the value of \$500. The number of participants in a selected point sports pool is limited to the number of competitors in an established league. Competitors are randomly assigned to the participants and may be assigned for a single week or the duration of the pool.

(e) a "blackout sports pool" in which the winner is the participant who holds the randomly assigned competitor that first accumulates scores on succeeding weeks whose only or final digit corresponds to all of the numbers zero through nine. A variation of this pool tallies only those scores in which the competitor is the winner of a sports event. The number of participants is limited to the number of competitors in an established league.

(f) a "weekly sweepstakes sports pool" in which a different competitor or competitors are randomly assigned to participants for each week. The winner is determined by the most or least points scored by the competitor or competitors assigned to a participant or by the most games won by the competitors assigned to a participant. The number of participants is limited to the number of competitors in a league or to the maximum combination of competitors in a league.

(g) a "multiple competitor sports pool" in which three or more competitors simultaneously compete in a sports event or series of sports events as individuals, not as a team, such as in a car race or golf tournament. Competitors are randomly assigned to participants, and a pool winner is determined by the score or place that the competitor attains in the sports event or series of sports events.

VIII. SPORTS POOL CARD

(1) A traditional, series, or multiple way sports pool must be conducted on a sports pool card containing a master square.

(a) The master square of the card must be divided into spaces arranged in horizontal rows and vertical columns.

(b) The numbers for each horizontal row and vertical column must be randomly assigned after the person conducting the pool closes the pool to additional sale of spaces

but prior to the beginning of the sports event or the first event in a series of sport events. Any unsold spaces at the time the numbers are assigned are considered purchased by the person conducting the sports pool and must be marked in a manner indicating that they may not be sold to another person.

(c) Each space must be represented by a number from both the horizontal row and vertical column.

(d) Each competitor in the sports event must be assigned to either the horizontal or vertical axis of the master square before the beginning of each sports event.

(2) A sports pool card used to conduct an authorized sports pool must be of adequate size to be easily read by participants and observers.

- (d) date of the sports event or dates of the series of sports events;
- (e) total number of chances available in the pool;

- (g) total amount to be paid to each winner;
- (h) intervals that a pay-out will be made and the amount of each pay-out;
- (i) name of the person conducting the sports pool;
- (j) name or initials of participants who have purchased chances in the pool;
- (k) amount or value of each individual prize and the total value of all prizes; and
- (l) name of the competitors and the date of a sports event that will be substituted for the original sports event if it is cancelled.

(4) After each prize is awarded, the names of the winners of each prize must be prominently displayed on each card.

(5) A sports pool card must be retained by the person conducting the sports pool until all prizes are awarded or for 30 days after the event or ~~as event in a series of~~ events, whichever occurs first.

IX. SALE OF CHANCES

(1) The total cost of a chance shall not exceed \$5 per sports event and must be paid in full and in cash at the time the chance is selected.

(2) If the actual number of sports events conducted as part of a series of events is less than the number of events for which chances were sold, the sponsor shall refund to each participant the money paid for chances on those events that were not conducted.

(3) After sale of the chances begins, the person conducting the sports pool:

- (a) may not cancel the sports pool or alter it in any manner; and
- (b) shall award all prizes at the end of the sports event or series of events .

(4) In an authorized sports pool in which a competitor is randomly assigned to each participant purchasing a chance in the pool, a participant may not sell, trade, or

otherwise transfer his competitor to another person.

X. DETERMINATION OF WINNERS -- PRIZES

(1) There must be at least one winner from among the participants in a sports pool. A winner or winners are determined by the score or place attained by one or more competitors in the sports event upon which the sports pool is conducted.

(2) The prizes awarded to the winner or winners of a sports pool may be cash or merchandise but must not exceed a total value of \$500 per sports event.

(a) Where the prize awarded is merchandise, the purchase price paid for the item(s) of the merchandise prize is considered to be the value of the prize. Proof of the purchase price of the item(s) of the merchandise prize shall be retained for a period of 30 days from the event.

(b) Subject to subsection (4) if the value of the merchandise prize is less than the amount of money paid by all participants for the chance to participate, the person conducting the sports pool shall award the balance in cash to the winner(s).

(3) All prizes must be available for distribution to winners immediately at the end of the sports event or at the end of each sports event in a series of events.

(4) A nonprofit organization may retain up to 50 percent of the value of a sports pool if the amount retained is used to support charitable activities, scholarships or educational grants, or community service activities. The nonprofit organization must maintain and open to inspection upon reasonable demand records to verify the use of the retained portion of the sports pool.
